LEGISLATIVE ASSEMBLY

PRIVATE BILLS

Excerpt From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session,

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

THE INSTITUTE OF CHARTERED ACCOUNTANTS OF BRITISH COLUMBIA

FOLLOWING is the decision of the Professional Conduct Enquiry Board Panel subsequent to its investigation of a complaint against Geoffrey Harris, a member of the Institute of Chartered Accountants of British Columbia:

"The complaint of the Professional Conduct Committee dated the 22nd day of October 1976, against Geoffrey Harris, of Terrace, B.C., a member of the Institute, having been heard the 24th day of November 1976, by the Professional Con-

duct Enquiry Board Panel duly appointed in that regard, and the said Geoffrey Harris, by his Counsel, having admitted the allegations contained in the Statement of Complaint, that he did sign or associate himself with a statement of assets and liabilities which he knew, or should have known, was false or misleading.

"It is ordered, pursuant to By-law 70 of the Institute, that the said member, Geoffrey Harris, of Terrace, B.C., be, and is hereby, expelled from membership in the Institute, and that he pay the out-of-pocket costs incurred by the Professional Conduct Committee and the Panel in connection with the inquiry and hearing, as certified by the Executive Director of the Institute."

Dated at Vancouver, B.C., this 24th day of November 1976.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Refuse)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Village of Chetwynd, of Box 357, Chetwynd, B.C., hereby applies to the Director for a permit to discharge refuse from municipal and commercial sources located at Chetwynd, and gives notice of application to all persons affected.

The refuse-disposal site shall be located within District Lot 1935, Peace River District, which is approximately 30 acres in area, located approximately 2.5 miles northeast of the Village of Chetwynd.

The type of refuse to be discharged shall be typical municipal and commercial.

The quantity of refuse to be discharged shall be as follows: Average daily discharge (based on operating period), 16 cubic meters (21 cubic yards) a day.

The operating period during which the refuse will be discharged shall be daily, continuous.

The nature or characteristics (in per cent by weight) of the refuse to be discharged is estimated to be food waste, 15 per cent; paper, wood, 40 per cent; metal, 10 per cent; glass, 5 per cent; miscellaneous, 30 per cent.

The type of treatment to be applied to the refuse is a sanitary landfill operation, Level D, in accordance with Pollution Control Branch guidelines, September 1975.

I, D. R. Foster, Administrator, hereby certify that a copy of this application has been received by the Peace River-Liard Regional District.

This application, dated on the 17th day of December 1976, was posted on the ground in accordance with the Pollution Control regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Emissions)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

The copy of the complete application is available for inspection by anybody between the hours of 8 a.m. and 4 p.m. at the Regional District Office.

Pacific Coast Terminals Co. Ltd., of 1000 Columbia Street, New Westminster,

B.C., hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from a bulk loading terminal located at Port Moody, and gives notice of application to all persons affected.

The land upon which the works are located is property leased from National Harbours Board (Lease V-1464), fronting District Lots 202 and 203, Port Moody.

The discharged or emission shall be located at plant site at west end at Murray Street, Port Moody.

The rate of discharge is (dry basis): (a) Maximum, unknown; duration, variable; frequency, variable. (b) Average daily (based on normal daily operating period), unknown.

The operating period during which contaminant(s) will be discharged is continuous or intermittent, depending on train and ship arrivals.

The characteristics of the contaminant(s) to be discharged are dusts of coal, sulphur, fertilizers, etc. The concentrations where measurable are less than 0.1 gr/SCF.

The type of treatment to be applied to the contaminant(s) is the employment of several types of control and (or) treatment. Elbair and Medusa wet scrubbers are used. Transfer points, etc., are generally enclosed. Water sprays are applied where useful and practical.

I, R. J. Hannon, Registrar, hereby certify that a copy of this application has been received by the Greater Vancouver Regional District.

This application, dated on the 15th day of December 1976 was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER
POLLUTION CONTROL ACT, 1967
(Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Imperial Oil Limited, of 475 West Georgia Street, Vancouver, B.C. V6B 4M8, hereby applies to the Director for a permit to discharge effluent comprised of

rainfall run off from concrete pump slab and tank farm area routed through A.P.I. petroleum separator located at bulk plant, foot of First Avenue, Steveston, into a ditch which flows south and discharges into the Fraser River, and gives notice of application to all persons affected.

The land upon which the work are located is Lot 1A and 1B, Block 5 of Section 10, Block 3 north, Range 7 west (Map 249), NWD.

The discharge shall be located 48 feet south and 10 feet east of the northeast corner of property.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), negligible (75 gallons a day from slab using two inch/hour rainfall). Maximum daily discharge, 12,000 gallons (allowing 1 foot depth of water to build up in farm area and then syphoning out all in one day).

The operating period during which the effluent will be discharged is: Negligible and continuous, 12,000 gal./day, once every two months, approximately, in direct ratio to rainfall.

The characteristics of the effluent discharged shall be equivalent to or better than rainfall with negligible oil content, less than 5 ppm.

The type of treatment to be applied to the effluent before discharge is gravity separation and retention in a separator of any accidentally spilled petroleum products collected with rainwater run-off.

I, R. J. Hannon, Registrar, hereby certify that a copy of this application has been received by the Greater Vancouver Regional District.

This application, dated on the 5th day of January 1976, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER
POLLUTION CONTROL ACT, 1967
(Emissions)

Preamble—In order to comply with Pollution Control Permit PE-1157 (for effluent discharges), the applicant, Canadian Cellulose Company, Limited, has applied for and received permission to modify its Prince Rupert sulphite mill to the kraft process. As a result of this modification, emissions into the air from the sulphite process have been terminated. This application is for a permit for new emissions resulting from the modification of the sulphite mill to the kraft process.

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Canadian Cellulose Company, Limited, of 1111 West Hastings Street, Vancouver, B.C., hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from a bleached kraft pulp

mill located at Watson Island, near Port Edward, and gives notice of application to all persons affected.

The land upon which the works are located is on Watson Island, Lot 507, Range 5, Coast District.

The discharge or emission shall be located 1 mile northwest of Port Edward.

The rate of discharge is (dry basis): (a) Maximum, unknown; duration, unknown; frequency, unknown. (b) Average daily (based on normal daily operating period), 334,000 SCFM.

The operating period during which contaminant(s) will be discharged is continuous.

The characteristics of the contaminants to be discharged are wood dust, 0.1 gr/DSCF; particulate matter (from recovery boiler), 5 lb./ADT and (from other sources) 1.5 lb./ADT; bivalent sulphur compounds (from recovery boiler), 0.16 lb. sulphur/ADT (from other sources) 0.4 lb. sulphur/ADT; C₁₂ and C₁₀, 0.1 ppm measured at ground level at point of impingement; SO₂ from recovery boiler, 200 ppm.

The type of treatment to be applied to the contaminant(s) is low-odour recovery boiler design, electrostatic precipitator, scrubbers, malodorous gas collection and incineration, absorption tower, cyclone.

I, Trevor Gonnason, Assistant Secretary-Treasurer, hereby certify that a copy of this application has been received by the Skeena-Queen Charlotte Regional District.

This application, dated on the 4th day of December 1976, was posted on the ground in accordance with the Pollution Control Regulations.

TIMBER SALE LICENCE A08894

A PUBLIC AUCTION will be held by the District Forester at Williams Lake, B.C., at 11 a.m., or as soon as possible thereafter, February 25, 1977, for the purchase of Licence A08894, to authorize the harvesting of not more than 16,670 cunits of timber each year for a three-year period.

Cutting permits to be issued under authority of this licence will authorize cutting on areas within the Big Bar PSYU

in accordance with a development plan to be submitted by the successful tenderer.

To be eligible to submit bids and have those bids considered a tenderer must have an allocated annual volume in the Big Bar PSYU available for application to this licence of not less than the annual harvest volume authorized by this licence. Furthermore, an eligible tenderer must be the operator of a wood-processing plant with barking and chipping facilities utilizing logs to a 4-inch top diameter. Each eligible tenderer will be required to submit proof that the timber to be authorized for cutting is required as a supply to keep his wood-processing plant operating to the capacity approved by the Licensor.

Anyone who is unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.

Particulars may be obtained from the Chief Forester, Victoria; the District Forester, Williams Lake; or the Forest Ranger, Clinton. ja20—9869

TIMBER SALE A07703

SEALED TENDERS will be received by the District Forester at Prince George, B.C., not later than 11 a.m. on February 25, 1977, for the purchase of Licence A07703, to cut 28,100 cunits of spruce, balsam, lodgepole pine, and trees of other species located near Tenaka Creek, Peace River Land District.

Two years will be allowed for removal of timber.

Particulars may be obtained from the District Forester, Prince George, or the Forest Ranger, Fort Nelson. ja20—9869

TIMBER SALE A08356

THERE will be offered for sale at public auction by the Forest Ranger at Langford, B.C., at 10.30 a.m. on January 31, 1977, the Licence A08356, to cut 211,000 cubic feet of fir, alder, hemlock, and cedar on an area located south of the Shawnigan Lake, Malahat Land District.

Until April 30, 1977, will be allowed for removal of timber.

Provided anyone who is unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.

Particulars may be obtained from the District Forester, 355 Burrard Street, Vancouver, B.C. V6C 2H1, or the Forest Ranger, 697 Goldstream Avenue, Victoria, B.C. V9B 2X2. ja20—9869
